

Communication Permission Form

Dear Parents,

Communication between student/parents, and staff becomes more difficult as well as more important as we get closer to Colors 2025. We have decided to set up a group on the “Band” app for parents and older students. The main app allows students over 13 to join, in addition to a “Kids Band” app that allows children under the age of 13 to join our group. We are keeping the group safe by making it private so that only the SDC administrators can invite and allow members into the group. In addition, only SDC administrators will be able to post without approval. We would like parents and adult students to join the group as we will be posting current recital information in it. Students under 18 are invited to join at parent’s discretion.
